COMMANDERS MESSAGE

It seems that summer has blazed by once again and although the weather was a key factor this season with oppressive heat and torrential rains, we still managed to have a busy and fruitful summer. I wanted to take a moment to acknowledge our Editor, Al Harbord for his contributions to the SOUNDOFF Newsletter. The first new addition went out last month and has received nothing but accolades. Since then Vince Ferretti with the help of National and his computer knowledge has made a new updated mailing list of paid up members, Legionnaires, Auxiliary, SAL and Legion Riders. In some cases, this will be the first newsletter that our members receive.

There continues to be changes at the Post. I would hope that these changes bring us into the 21st century. While many things are traditional, "New" traditions are being made all the time. Just because something was "always done that way" doesn't mean it has to stay that way. We are known in the Legion Community as a very progressive post. That doesn't happen by maintaining the status quo. As I have said in the past, if you have new ideas that can help this post-bring them forward, we, the Executive Board and members welcome those ideas. The Positive approach is the only way to go.

I want to thank Ryan's Catering for donating their time and services in preparing and presenting our Pig Roast/BBQ as a fund raiser for us. It is just one more

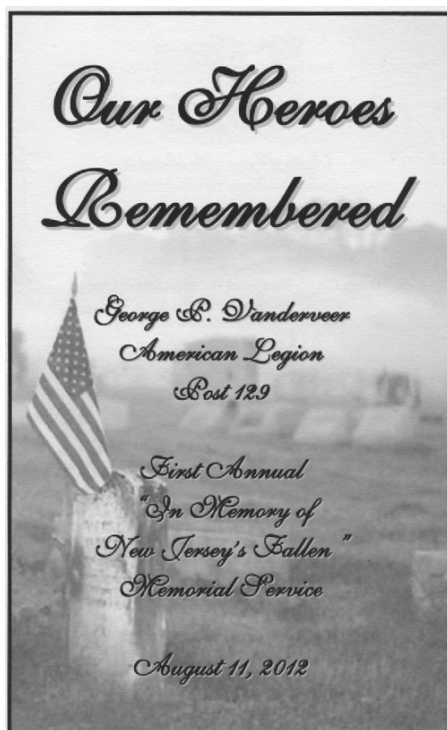

example of their dedication to our Legion. Ryan's has consistently changed up its menu to accommodate us. Their new 2 dinners for \$20.00 was started as a Saturday night special and has proven so successful and in demand that it will be continued during the week. If there is a special item that you would like to see on the menu or a creative suggestion - let Ryan's know, they are very receptive to a good working relationship. Members of our Post planted a small Victory Garden this year as an experiment. Chef Scott recently used herbs from that garden to prepare food for our Post. I want to thank the Toms River Garden Club for maintaining the flagpole garden. It looks beautiful.

On July 23, our Post and ADAOCAN hosted the celebration of the 22nd Anniversary of the Americans with Disabilities Act. Former Mayor and Legion mem-

ber Paul Wnek was the keynote speaker. July 27 was American Legion Day at Blue Claws Stadium. Our Color Guard presented the colors in the infield.

On July 31st, Auxiliary First Vice President Susan Gato and I traveled to Veterans Haven in Winslow for the purpose of a check presentation and to meet the new Director Walter Nall. The check was from the Legion Riders in the amount of \$2,000. Walter was most gracious, gave us a tour of the facility and asked that I extend his best wishes to the entire Legion Family. On August 2nd, several members of the Executive Board attended the New Jersey Narcotics Enforcement Benefit for Special Olympics held at Martell's in Point Pleasant. On August 4th, members of the Legion Riders attended a Pig Roast at the Pemberton Post to show support for this newly organized Rider's detachment. At our monthly meeting on August 6, members of the Black Sheep Squadron made an informative presentation and presented a framed aerial photograph of our Post.

As you can see, we have constantly been busy but I wanted to save the best for last. Our most recent event was "Remembering Our Heroes". Several months ago, I was approached by Linda and Bob Hoehn, Gary Stansbury and Carmella Avon. They presented a plan to host an event that would include the entire Legion Family as well as members of our community. Family members of the 170 military personnel that were killed in action in

On Friday, July 20th, Our Post had a most unique happening – we hosted not one, but two Past National Commanders!

Past National Commander John P. "Jake" Comer and Past National Commander Paul S. Morin, both from Massachusetts visited our home and stayed for dinner and entertainment by "*The Tru-Tones*."

We were further complimented that evening by the presence of our Department Commander, Gene O'Grady, Past Department Commander, Chuck Robbins, Ocean County Commander Ray Miller, and of course, our Commander, Rich Gato, who was the host with the most – and as we know, he has lots to brag about. A beautiful Post Home, a terrific dinner, great entertainment, a house full to the max with happy members and guests. We have so much to be proud of; a great history, and hard working members who have kept our Post number One in every arena; Membership, Spirit and Unity! We take great pride in our Legion Family at Post 129 – and it shows!

We are, and should be, flattered by the presence of these dignitaries – and yet, I'm sure that they were the ones impressed. Impressed and pleased not only by what they saw, but with the knowledge that the organization of the American Legion is strong & active; and that there is a real promise of tomorrow at Post 129. That we truly are "Family" and it shows.

Commanders! We are proud that you came to visit, and we welcome you here again – Anytime!

STOPS THE RUMERS!

Due to the confusion of the calendar for 2013, the Wildwood Chamber of Commerce mistakenly assigned the wrong weeks for the June Conventions. Before this mistake could be corrected, many Motels, including the Gondolier, started taking reservations. When the mistake was identified the hotel owners had to cancel many reservations so the conventions could go forward. Some of the patrons wanted to keep their rooms. This makes less rooms for our convention week.

I have been working with the owners of the Gondolier and their other hotels. All the legionnaires of Post 129 who attended the convention last year will have a room for this year's convention. We also hope to find rooms for the newcomers. I will keep you abreast of what is happening.

For God and Country,
Frank McArdle

CANTEEN NEWS

Dave Kearns – Bar Chairman

As always, the Canteen is the best meeting for Members and their guests. Whether you are up for having lunch, dinner, watching the game on our 5 TV's, or just hanging out with your friends, the Canteen is the best place to be.

For those members who prefer the outdoors, The Bunker Bar will continue to be open weekend nights through November. Ron Cloos continues to do a great job.

I would like to thank all of our patrons for their patience during the electric power outage, and the new floor installation in the kitchen. A big Thank You to our bar staff, who became very innovative during these times to make sure our operations continued to run smoothly.

Speaking of our bar staff, do we have the best bartenders or what? During the day, from Monday through Friday, Wendy is always there to greet you with her smile. At night, Bernice, Robin, Warren, Duke, Dave and Emory take over the bartending duties. Friday night, which is Prime Rib and Entertainment Night, you will be listening to a Live Band or DJ. Also, on Saturday night the kitchen will be offering 2 entrees for \$20, and there will be DJ entertainment.

We are looking to make this year's football season better than last. During the games, we will have giveaways, and our kitchen

will provide chow specials at great prices. So, meet up with your friends, and enjoy the food, the game and the fun. Remember, by supporting the Canteen, you support the best post in the USA.

RIDERS PRESIDENT MESSAGE

ART BROWN

Not really a busy month for the Riders. The most important event was a welcome home escort for Marine Sgt. William P. Carolan, a member of our Post to the Silverton section of Toms River. Only members of an organization like the American Legion know how great it is to escort service men and women coming home alive, and seeing the looks on their face and the faces of their family and friends upon their arrival home. Too many times we are escorting the funeral processions, this is so much better and obviously more fun to celebrate.

Welcome Home Ride
SHAWN SMITH-July 26,2012-Toms River Patch

As far as riding goes many of our Riders participated in a poker run for the Elks that ended in Old Bridge. Estimated that 1000 motorcyclist attended on what many of our Riders called the best pok-

er run that they have attended.

A large group of Riders attended the Ride in the Pines sponsored by Trapani's motorcycle shop in Waretown. A great ride through the pines led by Road Captain, Mike Perry. Those that attended had a great time. Must say that Trapani's has been a sponsor and contributor for our last two poker runs.

The summer may be coming to an end sooner than we wish, but riding will actually get better for a few months. It has truly been a hot summer for our members on two wheels. In September we have a large group of members heading to Ocean City Maryland for a long week end of Bike Week. A Friday down the parkway, a trip on the Cape May-Lewes Ferry and then on to Ocean City. Hopefully the weather will be perfect that time of the year.

September 30th many of our Riders will be participating in escorting with the Run for the Fallen. Our Post will be involved with this weekend event and obviously our members will do our thing escorting these runners through Toms River on Sunday. October 7th we will be riding in the second annual Viet Nam Veteran's

Memorial run. This is a great event that the American Legion has been proud to be a part of. Really looking for a great turnout for this one. Again the

weather much nicer this time of year for those of us on two wheels.

Looking forward to a great fall motorcycle riding season and helping with any functions of our Post 129.

Greetings Squadron Members,

In case you haven't heard, once again we are the largest SAL Squadron in the State of New Jersey! Our Membership Chair Don Sikorski is doing a fantastic job as is everyone in the Post recruiting and maintaining our SAL membership. We did receive several awards and acknowledgements at this year's convention in Wildwood for membership strength and everyone should be congratulated.

It's **you**, our membership, who are our strength. Your assistance, help, and support of our Veterans, Legionnaires, Post, Auxiliary, Riders, and your own Squadron does not go unnoticed and you should take pride in it. All SAL no matter what age are encouraged to assist and participate. We welcome all SAL members to attend our monthly meetings. Meetings are held the second Wednesday of every month at the Post starting at 7:30 pm. and usually run about one hour.

We have started a new email list to keep Squadron members informed of events and happenings in your Squadron and at the Post. If you would like to join the list please send an email to squadron129@gmail.com and you will be added.

The USS Constitution, a 44-gun frigate, was one of the first three naval ships built by the United States. It won brilliant victories over British frigates during the War of 1812 and is, without doubt, the most famous ship in the history of the United States Navy. It has been rebuilt and is anchored in the Charlestown Navy Yard in Boston. How did the USS Constitution get her nickname, Old Ironsides?

Afghanistan and Iraq were also invited. The keynote speaker was the Commanding Officer of Naval Weapons Station Earle Captain David "Fuzz" Harrison. Several Generals and our State Commander Gene O' Grady were in attendance as well. A number of family members were also invited to speak and did so. A 5 piece brass ensemble as well as members of the Ocean County Technical Choir performed. This First Annual Event was picture perfect starting with the entrance of the Color Guard to the passing of the flag, the reading of the names, and the lighting of the candles and the ringing of the bell. This was followed by our Honor Guards 21 Gun Salute and Taps. Jim Ventimiglia of the Shamrock and Thistle Pipe and Drum played Amazing Grace. Jim is also a SAL member of our post.

At times it was difficult emotionally but the end result was that our Heroes were not forgotten. County Commander Ray Miller introduced Brigadier General Michael Cuniff, who presented a Medal of Honor Flag to the family of Corporal Michael J. Crescenzo who was killed in Vietnam.

The Medal of Honor was presented to his parents by President Richard M. Nixon in a White

House Ceremony.

I also wanted to thank Cub Scout Pack 36 for strategically placing 170 flags on our front lawn, one for each KIA in New Jersey. Looking at those flags reminds us that there are hundreds of extended family members that are affected by those losses.

I have received nothing but accolades for the participants as well as the Post itself for taking on such a worthwhile venture. Later that evening in the canteen, I had the opportunity to speak privately with several Gold Star families. They all expressed their gratitude for our Post and our members for this remem-

brance. Once again, thank you to Bob and Linda, Carmella and Gary for presenting this idea to me and then "running with it". The end result was outstanding and once again our Post was shown in a positive light.

The following day, was the State Commanders "Meet and Greet" at our Post. The word traveled quickly and I was approached by several Commanders who "heard" about our event. State Commander Gene O'Grady commented how Post 129 is always progressive and a true Trailblazer among American Legions. This same sentiment was expressed by Past State Commander Bob Looby as well.

we will host a "Mission of Honor" at our Post. This ceremony will honor 6 Veterans whose Cre-mains have not been claimed until now. After the ceremony, a motorcycle and vehicle escort will transport those Cre-mains to Brigadier General William C. Doyle Cemetery for a committal ceremony. These events are held around the State and it is our honor to host this important memorial. If you have not had the chance to observe this event, I encourage you to do so.

Last of all, after much discussion, pleading, begging and arguing, we have finally obtained a new Rowe/AMI CD Jukebox thanks to Legion Rider and Color Guard member Michael Maresca. Mike, through his business contacts was able to have Staff Music and Amusements in Hanover, Pennsylvania donate this new unit to us. We have organized a small committee that will oversee the music selection and volume control.

Often we have to pick and choose what events we are going to support. Additionally, individuals have a stronger attachment to one event over another for personal reasons and that is understandable.

On September 15th, a number of our Legion Riders will be traveling to Ocean City Maryland for Bike Week, myself included and have already made reservations. On September 15th, Big Brothers/Big Sisters will be holding their "Break A Record" Sandcastle Building at Martell's. This event is a Guinness Book Of World Records Attempt. It is anticipated that 800 Sandcastles will be built in one hour. Post 129 has always been a supporter of Big Brothers/Big Sisters - try to come out for

this fun filled good cause. For info contact BBBSOC.org Also, on Sept. 15th, the American Diabetes Association will hold their Tour de Cure Bicycle Run. They have requested a motorcycle escort from our Riders. For information go to their website

www.diabetes.org/jerseyshore

Within the last month, we have had three Past National Commanders as well as a Present National SAL Commander and a SAL State Commander visit our post. These men had heard about our Post and wanted to see firsthand what the fuss was all about. They all complimented the kitchen for their great meals and were quite impressed with our operation. Thank you to the bartenders for "checking their cards". We are always looking for good reasonable entertainment. If you have a suggestion - see me. We will be having new entertainment in the Banquet Hall in the fall.

If you have the opportunity to see a production by Exit 82, which is a Toms River Theatre Company, don't miss it. Their performances are Broadway Quality.

I want to thank the volunteers. There are just too many to recognize by name. You are the backbone of this organization. Without you, it would be impossible to manage this Post in such a fashion. Thanks again. Remember -

be kind and speak nicely to everyone - It works both ways.

Be PROUD to show your card when asked - you earned it.

AUXILIARY PRESIDENT'S MESSAGE

To all members,

If I must say so myself I believe my first meeting as auxiliary president went very well. I would like to thank my officers, committee chairpersons and members who attended the meeting.

On August 11, 2012 I was involved in the "Remember Our Fallen" memorial held at our post. While I listened to the names and saw the faces of the family members in the audience, it brought tears to my eyes. This is the reason we are all here, one family working for the same cause.

When I joined the auxiliary 4 years ago I never thought I would be president 4 years later. But here I am hoping that I do a good job and make you all proud. Our

with all the functions. Let's make this a profitable year had by all. We are all one family, legionnaires, auxiliary, S.A.L. and riders working together. United we stand, divided we will fall.

Thank you again,
Dina M. Lynam

I pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

The Pledge of Allegiance was written in 1892 by Francis Bellamy. The original Pledge of Allegiance was published in the September 8th issue of the children's magazine, *The Youth's Companion*, to celebrate the 400th anniversary of Christopher Columbus's arrival in America. The pledge was first recited in unison in the public schools on October 12, 1892.

The Boston Light was the first light station established on the North American continent. The light was lit for the first time on September 14, 1716. A cannon was America's first fog signal. The Boston Light was destroyed in the Revolution and rebuilt in 1783. The Boston Light is also our only lighthouse that still has an official keeper.

Did You Know...?

That US Navy and the Coast Guard Ships in Florida offloaded 7,400 Pounds of cocaine and 240 pounds Of marijuana, confiscated as part of Operation Martillo, according to a report on the Pentagon Channel. The drugs were offloaded July 17th at Naval Station Mayport. Sailors And Coast Guardsmen seized the drugs in six separate busts in the Caribbean and eastern Pacific. Officials estimated the load is worth, more than \$90 Million!

((July 30, 2012-Navy Times) via Darlene Scheiderman)

On September 7, 1813, Uncle Sam became the nickname for the United States. The story goes that a meat packer named Samuel Wilson shipped meat in barrels to the Army at war. The barrels were branded with the initials "U.S." for United States, but the soldiers joked that it referred to "Uncle Sam" who supplied the meat.
