COMMANDER'S MESSAGE

As the end of this fiscal year is upon us, this will be my last message as Post 129's Commander. I would like to congratulate the newly appointed incoming Commander, Pete Chafetelli and his officers and wish them a successful year.

It was truly an honor to serve at Post 129's Commander these past three years. I want to thank our American Legion Family for their support during my time as Commander. We saw a lot of changes

from the improvements at the Bunker Bar to the renovations in the Canteen. We survived the COVID-19 Statewide Shutdown and while we are still not totally done with the effects of the COVID-19 Virus, our Post is working together to keep our members and guests safe, with frequent sanitizing, wearing face masks, washing our hands frequently and social distancing and we will get through this together.

Once again, I would like to congratulate all incoming Officers of the American Legion, the Auxiliary, the Sons of the American Legion and the Riders. Here's to a suc-

cessful year to all of you. Please note that our installation of Officers will be held on May 15th at 1:00 PM, weather permitting.

LEGION MEMBERSHIP

Dear American Legion Members,

I hope and pray that our Legion Family has fared well during these trying times. Hopefully, the Corona Virus is behind us and we can get back to a somewhat normal life. I know that we will get through this together. We are Legion Strong.

I am asking all our Legion Family members to reach out to their fellow Legionnaires and Legion Family Members to see if they are okay and if they need any help or just give them words of encouragement to help them get through these trying times. It is called the Buddy Check. It is what we do, Veterans taking care of Veterans.

In checking our roster, I noticed that there are still many members (139) that have not paid their dues for 2021. Our New Membership year starts July 1st for 2021-2022. I did want to let you know that we are counting very much on your continuing as a member of our Post. You are especially important to us and if we are to accomplish the many tasks facing The American Legion both at home and in Washington to help our Veterans and their Families, as well as the Community we live in, we need your help. I am asking all Members to please send in their Dues

for 2021. We need your help so that we can continue to help our Veterans, their Families and the Community where we live.

I believe we are Legion Family and together we will accomplish great things. Stay Safe and please do not forget BUDDY CHECK.

Please let me know if there is some service that our Post, or at the Department level, can provide for you or if there is any reason that has kept you from renewing your Membership. Please contact me at rjg548@comcast.net or 732-604-8326, The American Legion needs your support, Remember, **Membership is the life blood of The American Legion.**

SERVICE OFFICERS REPORT

Brothers and Sisters

A couple of weeks ago I saw a news story about active-duty families suffering with food issues. Active-duty families having to go off base to food pantries to get food for their families. How is this possible? If we have a war fighter deployed the last thing he should have to worry about is getting food for their families. One moment of lost concentration could cost them their lives or the lives of others.

I reached out for Family Services at McGuire and found out they were having the same issues with food dependency. They in turn turned me on to the Red Cross on base and the issue was more serious than I could have imagined. With the help of Ralph Wolff, and his contacts at FulFill, and First Sgt Carlington U.S. Army, we made our first monthly deliveries of crisis boxes to the Red Cross service center.

In addition, volunteers from the Legion, Sons and the Riders have reopened the food distribution line again. One hundred hot meals on Monday. In addition to crisis boxes, fresh and frozen food and 100 meals distributed on Wednesdays between 3-5. Thank you Brothers!

As State Chaplain, I have been asked to work a number of funerals not just for our members but also other posts and by Department Headquarters to assist where needed. I have also assisted a number of families to gain access to General Doyle Cemetery for a loved one who passed.

At the last General Meeting there was some discussion concerning sick call visits, get well cards, condolence cards and fol-

CANTEEN NEWS

Eric Inauen

We have had April Showers, so hopefully we will get May Flowers. The Bar Committee would like to thank all the volunteers that helped with the Cleanup of the Bunker Bar and the Picnic Area. In the past, the County Corrections and Community Service people would help us with the clean-up, but not this year. We would like to thank John, from John Lauria Landscaping, for donating his commercial equipment and time on back-to-back Saturdays.

A special thanks to Pete Chafatelli, Bob Joerg, John Holterman and Ken Benner for installing a heater-air conditioning unit in the bar area which was donated by Finance Officer Ralph Wolff. This will keep the Bartenders warm when it is cold and cool when it is hot.

The Bar received a thorough cleaning and a new speed rack was installed. The rear shutter was enclosed to stop the wind from ripping through the seating area. A new Cable line was run by Direct TV. Snaps for the roll downs were moved so they all work. Interior lights were added. Rocky Lucia got the stereo up and running. The only cost to the Post was for the material. Commander Ed Rutzler stays on top of that.

As many of you already know, the State has opened interior eating and drinking from 35% to 50%. Now, we can have 50 Members and their Guests in the Canteen and 113 in the Hall. Tables are still situated 6 feet apart. Masks are required when standing, walking, or dancing. There are sanitizers located throughout the Post. Bartenders and volunteers will check your temperature, your Membership Card, request that you sign the guest book and leave your phone number in case of a

Covid incident. The safety of our Members and their Guests have always been our top priority.

For the first time in Post history, we opened the Bunker on April 1. In the past it was opened around April 18th. There were a lot of doubters and naysayers, but it worked. What I love about our Post is that we try new things all the time. Sometimes they work, and sometimes not, but we always try. If you do not try to improve, you stagnate and die.

So, what is going on? The Plan is to bring back horseshoes on Wednesday Nights and Corn Hole on Thursday Nights. Mike Feimer (Horseshoes) 732-684-9790 and Dale Hugo (Corn Hole) 732-977-5174 will be organizing the leagues. There will be organizational meetings held in May. If you are interested in playing, and we hope you are, call Mike and/or Dale or leave your name and phone number with one of our outstanding bartenders.

As always, the Bar Committee would be remiss if they did not mention the fantastic job that our Bartenders do to keep our 3 bars running smoothly. Thank you, Robin, Lori, Danielle, Shea, Gina, Linda, Carol Ann and Rocky. Because of the Governor's Safety protocols, Members and Guests cannot approach the bar for a drink. They must be served sitting

down. This means that our bartenders are walking miles every shift. We ask that Members and Guests remember this when they are tipping. Thank You.

BIKE NIGHTS: The Riders will be holding their first Bike Night in over a year on Tuesday, May 11th, at 5PM. There will be a live band. Tickets are \$10 which includes choice of 2 hot dogs or a cheeseburger and chips.

WECOME BACK MEMORIAL DAY PICNIC: Covid stopped the SAL Event last year, but not this year. Again, it is a **PIG ROAST**. It will be held on Saturday, May 29th (rain date, Sunday May 30th), from 1 to 5PM. SAL Commander, Rocky Lucia, and his band of dedicated officers and volunteers start roasting the pig at 6AM. Tickets are \$20 in advance and \$25 at the door. Tickets can be purchased in the Canteen up until the day before the Picnic. Your ticket includes DRAFT BEER, Roasted Pig, Burgers, Hot Dogs, Grilled Chicken, Salads, Soda and Water. You will be entertained by the sounds of "CATFISH LUCY."

We plan to hold our July 4th Picnic this year. Currently, we are in the planning stage of the Event and the details are not yet finalized. When the time draws near, announcements will be made in the Bar and on our Facebook Page.

Mike Feimer is organizing the horseshoe league.

Call Mike at 732-684-9790 to join.

Dale Hugo is organizing the Corn Hole league.

Call Dale at 732-977-5174 to join.

There will be organizational meetings in May. Call Mike or Dale or leave your name and phone number with one of our outstanding bartenders.

BUNKER NEWS: It was reported that a real coyote was spotted in the VNZ (Varmint Neutral Zone). Varmint Patrol Members requested that the Post purchase a 50 Cal Machine Gun and mount it on top of the Bunker Bar roof to neutralize the threat. They were not sure if this fire power would suffice, but they would give their best shot. Their request was denied.

This time, the squirrels were eager to come to the negotiating table since they do not want to fight a war on 2 fronts. There are only a few of our Bunker Members that eat live squirrels, and the Post is in the process of getting them help. Monday's free hot meals are a start. All coyotes eat squirrels and other varmints live, and therefore, present more of a threat.

The varmints agreed to all the Post's terms. They will no longer destroy corn hole bags. They will leave the Victory Garden alone (a major concern of Ralph Wolff). They also agreed to police up all the peanut shells in the Canteen Area. Do-Do will no longer rain down on Members from above. It looks like we have Peace at Last!

They alerted us that 2 more Long Tails have been summoned to help with the coyote situation. Peace A. Tail's cousin, the promiscuous Lott A. Tail, and Long Tail's brother, Chase N. Tail will be arriving soon. They asked that these coyote hunters be given a free pass in the VNZ. They can be recognized by their distinguishing marks. Lott A. Tail has a huge beauty mark on her left cheek (on her face) and Chase N. Tail's face is always red from being slapped. Permission was granted.

Unfortunately, we were not able to get any live photos from our Nature Photographer, Al Harbord. His latest disguise, which cannot be divulged for obvious reasons, was lost by Amazon. They sent

him 2 Hawaiian Luau Hula Skirts instead. They were not returned, since Peace A. Tail and Lott A. Tail said they would buy them.

REMEMBER, when you support Post 129, you support the greatest Post in the USA.

AUXILIARY MESSAGE

Happy springtime, everyone. Despite not being able to host any of our usual annual events, our Auxiliary has stayed busy.

In February and March, our Auxiliary had our monthly unit meetings via zoom. Zooming is a very productive and successful way for us to keep in touch and stay informed. Still, with more of us getting vaccinated, we decided to go back to having our meetings **in person**. Our first one was held on Monday, April 12th, at 7pm. It was great to see each other. Our next one is set to be **in person** on Monday, May 10th, at 7pm.

I want to congratulate the young ladies who participated in our Girls State interviews this year (via zoom). *Olivia Lechner (Donovan Catholic), Adrienne Biscardi (Manchester), Chloe Selechuns (TR South), Lauren Schober (TR East), Julietta Onfretti (TR North), Isabella Gonzalez (TR East), Caroline Dowd (TR South) and Dominique Walton (TR South), Hailey Faulkner (TR East), Lyndsey Vigna (Manchester) and Lily Raia (TR South).* I want to thank our Girls State Chairman, Mary Nolan, for doing an awesome job in contacting the schools, securing the necessary information from the girls, organizing the zoom interviews, and including Donna Schwartz and myself in the interview process. Mary had the interviews set up in a very efficient and professional manner. Each of the young

ladies was thankful for her interview. We know the Girls State experience for the delegates will be a positive one.

We had our elections on April 12th, 2021. Our incoming officers for 2021-22 will be:

Susan Matta
2nd Vice President
Donna Schwartz

Congratulations to all our officers for the incoming 2021-22 year.

With more community club houses set to open (over the next few months), please see if we would be able to put a poppy canister in your community club house. If you know of a business

that would allow us to place a poppy canister in their store, please let us know. Our Poppy Chairman is Pam Bowen @732-914-1877.

It is our Auxiliary's hope to host some of our events before the end of the year (like our psychic fair, gift auction and craft & vendor fair). Time will tell. We will keep you posted. Of course, your support will be greatly appreciated and needed.

Lastly, our ALA Department of NJ 101st convention is set for June 9th through June 12th. If you are traveling to Wildwood, I wish you safe travels.

Springtime – a time to look ahead with anticipation to warmer temps, larger group gatherings and various events at our Post. So I remain hopeful and positive! Still, it is important that we stay healthy and safe.

SAL MESSAGE

Greetings brothers!

As we continue to muscle our way through these trying times, we are still moving forward and keeping busy. We will be having our annual pig roast and BBQ on Saturday, May 29th at 1pm in the picnic grove. Tickets are available at the bar or you can purchase tickets on the SAL website at www.salpost129.com. Please come out and support our squadron and post. Please see attached flyer (page 11).

On May 2nd we will be retiring our tattered American flags at the VFW on Adamston Road in Brick at 9AM. We could use some hands to help if anyone is available.

On May 11th, the Legion Riders will be having their first bike night in the picnic grove from 6PM-9PM. See the Riders section for flyer and info.

There will be no SAL meeting in June due to the annual convention in Wildwood.

Finally, we are making our final push on membership to exceed our numbers from last year. We are doing well but need a final push to get us over the top. If you have not renewed and still have your 2020 card, it is expired. You can renew via mail, at the post or renew online at www.salpost129.com. If you have relatives or friends that are eligible to join, please contact me and we will be happy to get them signed up. In the meantime, everyone stay safe and healthy!

FINANCE OFFICER MESSAGE

Our Duty: Have you ever gotten the good feeling when you help someone? You know that rush of gratification that you get because you helped relieve their problem or made them safer or happier? It's there for all of us to experience and all you have to do is look for the opportunity.

Now as we begin to step out of the humdrum of winter and anticipate a pleasant spring and summer, we must remember that there are still many of our brothers and sisters who are in need. Many in our Post and around the County must choose between buying nutritious foods or buying their medicine. That should never happen but it does. To help our Veterans from having to make decisions like that your Post has begun food distribution again. Every Wednesday anyone can come to our Post from 3pm to 5pm and stock up on fresh produce like carrots, potatoes and onions. We are also giving out frozen goods like hams, ground

beef and fish. Can goods are available like chili, pork and chicken. On Mondays nutritious meals are given away from 12 noon until 5pm. As of this writing, the food distribution will continue until the end of May and perhaps longer.

Our Victory Garden: is in full swing again this year. We have already expanded the number of garden boxes and the early planting is completed. We are expecting to grow over 600 pounds of veggies again this year. All that is grown is put in the canteen for our members to take home, again helping to reduce their food budget.

Our Finances: As you know, the budget committee is reviewing our annual budget every quarter to ensure we are on track. Last month a revised budget was again approved and put into action. Pull Tabs and the Bar have been keeping us financially healthy so if you see Eric and or PJ give them a big thank you. A new annual budget will be developed for approval by the end of June.
