COMANDERS MESSAGE

Brothers and Sisters,

I would like to thank all our American Legion Family for all that we have done in the past year. It takes all our family, Legionnaires, SAL, Auxiliary and Riders to help run our Post successfully and to be able to do all the things we do as a Post.

We have been able to supply meals, dry goods, and personal items to our community with the

help of organizations like A Need We Feed, Fulfill and our sister Posts all over the state. I am most proud of the work we have been able to accomplish helping our needy active-duty families. The outpouring of love and help from everyone to make sure our needy families have both food and toys for a Merry Christmas warmed my heart.

Let us all work hard to make 2022 a Happy and Healthy year.

In closing I would like to say God Bless America, God Bless the American Legion, and God

Bless Post 129.

FINANCE OFFICER

I hope that all reading this publication will have a healthy, blessed, and prosperous New Year. We are lucky to have the opportunity again to get it right.

Each New Year is another chapter in our book of life. As you open this new book, you see that the pages are blank, and we are going to put the words on them. A year from now, we will read this book and reflect again on the opportunities we missed and the opportunities we captured. The chances that I am referring to are many, like being kind, breaking a bad habit, learning a new skill, helping a friend, doing something good for someone you do not know and who cannot thank you, and most importantly, making a difference.

So, on New Year's Day, please wake up and be awesome, dream big and resolve to live life colorfully, and never miss the opportunities that present themselves every day.

Speaking of opportunities, your Strategic Planning Committee, commissioned by our own Commander Pete Chafatelli and Chaired by Mr. John Byrne, is on a mission to reconstruct the strategic plan put on hold during COVID19. Our strategic plan is a significant undertaking that will ensure the sustainability of our Post by identifying our future needs, our involvement in the community, our children, our dedication to Americanism, and our support of Veterans. And because it is such a monumental task, look for implementation of various sec-

tions to be in stages.

FINANCES:

Thanks to the hard work and dedication of those who run the Bar, Pull Tabs, and Bingo, the budget is doing well. Our budget committee will be re-evaluating our position halfway in January and looking for more opportunities to trim back while serving our Veteran community.

Remember that "Although no one can go back and make a brand-new start, anyone can start from now and make a brand-new ending." Carl Bard

Respectfully submitted:

MEMBERSHIP MINUTE

As we start another year, I hope everyone had a joyous and blessed holiday season and that this new year will be a safe and healthy new year for all.

I wanted to thank all the members that have sent in their 2022 dues. Your support helps keep us a strong voice on Capitol Hill to address veteran's issues and to keep the VA doing the right things for our veterans. Just a reminder, our membership year starts on July 1st. All members should have their dues paid by February 1st.

Article x, Section 7 of our Bylaws states.

A member whose dues for the current year have not been paid on or before January 1st, shall be classed as delinquent. If his or her dues are paid on or before February 1st, they will be automatically reinstated. If any member is still delinquent after February 1st, membership shall be suspended from all privileges. If a member is still under such suspension on June 30th of such year, their membership in the American Legion shall be forfeited. A member so suspended or whose membership has been so forfeited may be reinstated to active membership in good standing by vote of the post and payment of current dues for the year in which reinstatement occurs. Provided, however, that the national department may waive the provisions hereof, upon payment of dues for the year in which reinstatement occurs, with reference to former members who have been prevented from payment of dues by reason of active military service.

So please send in your dues to support this great organization. Remember we are "Veterans Strengthening America." "We cannot do this alone. We need your help to support all the great

programs that the American Legion does to support our veterans, their families, and the community in which we live.

By keeping our membership numbers up, we will continue to have a strong voice in Washington and on Capitol Hill to address the needs of our veterans. As you know, membership is the life blood of this great organization. As we enter another year of service to our communities, state & nation, let's keep our legacy moving forward.

This year please remember buddy check and reach out to our members that we have not seen in a while and give them a call to see if they are okay, or if they might need anything or just to offer words of encouragement during these trying times. This is what we do, veterans taking care of veterans. Please stay safe and be well.

LET'S RIGHT THIS WRONG FOR WWII VETERANS

The American Legion
DEC 10, 2021

Dear American Legion Family Members and Friends,

It's disheartening to know there are still World War II veterans who do not have access to VA benefits. The American Legion is fighting to correct this lapse with legislation pending in Congress. JOIN OUR ACTION CAMPAIGN: WRITE YOUR REPRESENTATIVE NOW.

Our World War II veterans halted the spread of tyranny, securing our democracy for generations to come. As of last month, fewer than 240,330 WWII veterans remain and hundreds pass away every day.

Of those still living, not all of them receive the VA health-care services they earned through their service. As a grateful nation, we must fulfill our promises to the Greatest Generation to ensure they receive all the benefits they deserve.

To rectify this issue, Rep. Josh Harder, D-Calif., introduced H.R. 5562, the WWII means test bill. The legislation would exempt WWII veterans from the means test needed to receive VA health-care services. Robert Menendez, D-N.J., has supported these efforts by introducing S.1040, the Senate companion to this bill.

The Senate bill has 10 bipartisan cosponsors while the House version has three. But little progress has been made in the past few months.

Time is literally running out for these veterans. It is critically important that one of these bills is enacted into law as soon as possible. The American Legion vociferously supports this legislation.

Congress has been down this road before. In 1996, the Veterans Health Care Eligibility Act exempted all veterans who served during the Mexican Border Period and World War I from the means test required to enter the VA health-care system.

Let's do the same for our World War II veterans before it is too late.

For God and Country,
Paul E. Dillard, National Commander

SERVICE OFFICER REPORT

Michael Schaffer

Brothers and sisters,

What an amazing year, out from under quarantine, seeing family and friends, enjoying the holidays, out for dinner, go to a movie, I think we have been reminded how fragile our time can be when dictated by others.

First and foremost, I want to thank everyone who has helped with the FOOD WARRIOR PROJECT, to date we have been blessed with over \$20,000.00 of donations and we have delivered over 70,000 pounds of food, this added to the donations of others of over 150,000 pounds that equates to over 180,000 meals for active-duty families. **PLUS**, Special meal deliveries with all the fixin's from turkeys to pumpkin pies for both a Thanksgiving and a Christmas meal. In addition over \$3,000 of new toys for active-duty families to have a Christmas **THANK YOU!!!**

The holiday season is truly a time for giving but the need at M.D.L. grows every day, we still need to feed 125 per week. Please when you go the store to feed your family, how about an extra jar of peanut butter and jelly, an extra box of pasta or a jar of sauce. I know from personal experience what homelessness and food insecurity can do to a person and to a family. I know your dinner with your family will taste much better knowing that a family you will never meet is sharing a meal with their family that you provided.

Remember we need to continue to: **"SERVE THOSE--WHO ARE SERVING US!"**

If you would like to make a donation you can drop food at:

These were the warriors who were deployed to the veterans' homes to help with the pandemic, the last 18 months have been intense for them and they came to me to support their Christmas Party. None more deserving.

This is what your support to the Food Warrior Project was able to accomplish. This is what we need to continue to support.

NOW SERVING THOSE, WHO ARE NOW SERVING US! CONTRIBUTIONS ALWAYS WELCOME

WE ALSO DESTRIIBUTED 250 THANKSGIVING BAGS TODAY WITH EVERYTHING FROM A TURKEY TO ALL THE FIXINS TO PREPARE A THANKSGIVING MEAL.

Nicole, Michael,

Thank you very much to both of you and the Red Cross for making the Thanksgiving meal at the 87 Med-

ical Group a huge success.

As you can see from the pictures, the 87 MDG medics had a really nice time and enjoyed the hams and turkeys you so generously donated. We were also able to send food back to the dorms with our youngest Airmen. Your support was phenomenal and brightened the day for our medics who have been working so tremen-

dously hard over the last 18 months. Thank you!

May you have a Blessed Thanksgiving.

ACTION REPORT

Michael Schaffer

I received a call on Thursday Dec 2, 2021 from First Sgt Craven of the 174th they have been working with me getting food to the base. They have a service organization, the Audie Murphy Club, he asked me if I could get a couple of Christmas trees for single active-duty parents with multiple children and that they were going to the Dollar Store to buy some Christmas presents...

I told him this was not acceptable and that I had toys and money for trees. This morning we dropped off \$1,800-\$2,000 worth of toys and purchased 2 Christmas trees, photos attached.

This is what your donations have accomplished, families that did not know if they were going to have a Christmas, are now going to have a great Christmas. The First Sgt has Identified active-duty families who will come to a distribution point on Tuesday to freely choose presents for their families and pick up the trees.

There is also a special food distribution on Wednesday with everything they will need for a great Christmas dinner. GOD BLESS YOU ALL!

All pictures reference to MDL in all articles via Michael Schaffer

I just sat down from an amazing day on MDL, and I am filing an after-action report.

We fed over 120 families December 11, 2021. Not only did they get their usual multiple bags of groceries, they also received extra Christmas bags, plus American Legion Post 129 Auxiliary was on hand to hand out pocket-books full of feminine needs, a big hit, thank you...

I had spoken with Congressman Kim, at the KC-46 arrival ceremony, about the work we were doing at the Red Cross House and he was very interested and concerned. He had a late-night vote in congress last night and drove straight through to get to the house today, he spoke with the volunteers, packed extra bags when we ran out, and loaded cars. Ben Giovin,

the congressman's aid, was also in attendance packing bags and hauling boxes. A true team effort, and before everyone starts throwing around it were nothing but a "photo op" there was no reporters, no photographers, just volunteers helping active-duty families.

I have attached a couple of photos, stacks of bags, lines of cars, a team shot after we cleaned up, and they helped with that also, it was a proud day to be a Legionnaire, a veteran and a volunteer.

I wish I could list everyone who has made this happen with your donations, your time, and your prayers...Walter I love you Brother... THANK YOU ALL

AUXILIARY MESSAGE

Happy New Year. I hope everyone had a blessed Holiday Season. Our Auxiliary has been busy during the past 2 months.

We participated in the Veteran's Day parade. It was a beautiful & sunny day. There were many people in attendance. Everyone had an enjoyable time. Our Auxiliary had a very successful Craft and Vendor Fair. I want to thank our Chairman, Laurinda Miller, our Volunteers and all who came out to support our Event.

Our Ocean County Holiday Party at Post 232 was a lot of fun. Our annual ALA Dept of NJ Birthday Luncheon was very enjoyable too. 11 of us in a mini van gave us a number of conversations and much laughter!

Our SAL had their 11th Annual POW/MIA Tree Lighting Ceremony. As usual, Cmdr Rocky included our Auxiliary in the Ceremony. Our Unit appreciated the inclusion, appreciated the beautiful ceremony and appreciates the family bond that we continue to share.

Our Auxiliary had their annual Pot Luck Holiday Dinner. It is always an enjoyable time to gather and to chat. Our annual Children's Christmas Party was held on December 19th. Our Chairman, 1st VP Pam Bowen, along with her Merry Elves of Volunteers, the appearance of Santa Claus, the yummy donation from Dairy Queen and the generous donation of our Legionnaires, gave the children a very happy and fun-filled Holiday Party.

Our Unit 129 National Security Project for Military Spouses was a huge success. Our ALA Dept of NJ Service To Veterans Co-Chairman, Jane Keeley and Patricia Corbin, had hoped for a donation of 100 pocketbooks. To everyone's surprise (especially Jane and Pat), we received over 400 donated pocketbooks along with

some Men's Wallets! 17 of us cleaned the pocketbooks, stuffed them with donated items and put a bow on them. The first deliver will be to Fort Dix on 12/15/21. I want to thank our Department Co-Chairman, Jane and Pat, for initiating this wonderful Project.

Our Psychic Fair in October had to be cancelled due to bad weather. But we are scheduled to have another on Friday 2/4/22 (please see the attached flyer).

We are still distributing Poppies. So please contact our 1st VP & Poppy Chairman, Pam Bowen (bowenpamela23@yahoo.com)

Please remember to get your 2021-22 Membership Dues to Carol Rutzler (carejr@verizon.net) and make your checks payable to ALA Unit 129.

SAL MESSAGE

Greetings everyone! I hope everyone enjoyed the Holiday season, had a Merry Christmas and a Happy New Year!

Here we are ringing in 2022 in a MUCH better place than we were last year. We ended the year on a high note and looking forward to starting 2022 the same. In December, we had two significant events. On the 4th, we had our 11th annual POW/MIA Christmas Tree Ceremony. This was a solemn event and was very well attended. We always look forward to keeping this tradition alive. I want to thank the entire legion family for their participation in the ceremony. It's great that we can all come together like we do. A special thank you to Lisa Mayer, President of Unit 129 Auxiliary and her great team. They were a huge help from beautifully decorating the tree, to working the door for us, being part of the program, etc. It's very much appreciated and we work together well. Also a BIG thank you to my SAL executive board and any members that were able to attend and/or help out. A lot of work goes into this program, so thank you all again.

On the 11th, we had our annual Army/Navy game party in the canteen. What a blast! It was a great game and a great time. We had a successful 50/50 and gift auction. I would like to thank again, my team and members that came to help that day. Couldn't do it without you all. I would like to send a special thank you to Bob Joerg (Post bar manager, Squadron Vice Commander and past squadron commander) for all the "give aways" and raffle prizes he was able to get us to raffle off. Bob, your help is one of the main reasons this event is an annual success.

Coming up on February 12th,

2022 is our annual Valentine's Comedy Show. If you haven't attended in the past, this is a must attend event. Ginger Ninja Productions puts together a great line up of comics and it's always a blast. the event always sells out, so please get your tickets early. See the flyer for details.

Finally, since we're ringing in 2022, your 2021 membership cards are no longer valid. Please, if you haven't already, renew your membership. It's quick and easy. You can send it via mail, stop in at the post and pay or pay online at www.salpost129.com. NOTE: the website www.salpost129.com is

for SAL membership ONLY. We've had auxiliary and legion members try to renew through there. It's SAL only please.

Once again, Happy New Year!

Eric Inaeun

HAPPY NEW YEAR, POST 129 MEMBERS.

Thanks to all of our Members and their Guests—THE CANTEEN IS BACK. It was great to see the huge turnout for the Army-Navy Game which was a nail biter until the end. Our New Year's Eve Party with the Black Ties providing the entertainment was well attended and a great success.

We are hoping our State leadership or lack thereof, won't be shutting down businesses as in the past. If they do, We Are Military, so "we will adapt and overcome" (Heartbreak Ridge).

Speaking of heartbreaks and heartthrobs, check out the picture of our outstanding bartenders in their Christmas garb. Robin, Lori, Danielle, Shea, Gina, Carol Ann and Rocky have kept our Members and their Guests in good spirits during the Holiday Season by keeping the Canteen festive with their decorations, service and their drink specials.
