COMMANDERS MESSAGE

Brothers and Sisters

It has been an honor and a privilege to serve as your Commander for the past two years. If I have learned anything during my two years as your Commander, it is that it takes our entire membership to make our Post a success. I would like to start by thanking the people who have helped me whenever I have asked, starting with our Past Commander Ed Rutzler, Ed helped me tremendously in the first year as your Commander and I will always be in his dept for that.

All our Past Commanders stepped up to mentor me on how to run our Post in a successful manner and I thank them for that. I would especially like to thank Darlene & Bob Scheiderman, Dave Corbin, and Rich Godfrey for helping me to learn the protocol and traditions of our Post. When they say it takes a village to raise a child, it is the same with our Post. We need everyone to step up and volunteer.

I would like to thank my Vice Commanders for stepping up and taking care of so many committees and events as a Commander could never handle it alone. I would like to thank our SAL Commander Rocky Lucia, our AUX President Pam Bowen, and our Riders Director Cliff Johnson for always working to make our Post

a success. I would also like to thank our Canteen Chairman Eric Inauen and Bar Manager Bob Jorge and Entertainment Chairman Stan Bilicki for making our Canteen such a success. Lastly, I would like to thank our Vice Commander Emeritus Mr. Phil (PJ) Jones, the grumpiest man I ever met (: ! PJ works seven days a week, five or six hours a day, for no pay, and handles our Pull Tabs and all Legalized Games of Chance for us. I would also like to thank our morning crew who work every day to get our Post ready for the day, Ed Rutzler, John Holterman, Dale Harpe, Frank Delnero, Ken Benner, thank you gentlemen.

The following is a small list of accomplishments as a Post in the last two years;

Ryan's Catering Kitchen Contract, Dance floor refinished, Strategic three year plan, By Laws revision first since 2014, Canteen TV's to loop events for our membership, New A/C units, New A/C for bunker bar, All kitchen repairs completed with no labor charges, new chairs in Canteen, new electronic sign out front, new asphalt out back by BBQ's, new sealing, lining and painting of our entire parking lot, Mortgage Paid down first time under a million dollars, new Ice machine in Canteen, repaired ice machine in garage, new sheds for storage, new committees to handle Strategic planning, Events Committee, Ways and means committee, Constitution & By Laws committee, Construction

committee, upcoming Hall renovations. Finally, our SOUNDOFF newsletter has won the Best black and white, multipage newsletter for the sixth time in a row. Thank you, Al Harbord.

In closing I would like to say we have a wonderful new incoming Commander, Mr. Ralph Moranz, and I know if we all give him our best, he will continue to be successful in running our Post. Thank You All.

Commander Pete Chafatelli

After a year of challenging work finally able to get together and have some Fun. Our membership goal for 2023 was 1653, unfortunately we fell short of that goal by 160 members who did not pay their dues for 2023, For all those that paid this year Thank You. We still have more work to do, there are still many expired members who have not paid. We still have until the end of June to make our goal so please send in your dues.

As we close out the 2023 Membership Year on June 30th and start our New Membership year on July 1st, please be an Early Bird and send in your 2024 Dues. This year any member that sends in their dues between July 1st, 2023, and by October 1st, 2023, will go into a drawing for a Free membership for 2025 Year. There will be three winners and the drawing will be at our December Meeting on the 1st Monday of the month at Post 129. Remember you got to be in it to win it. Good Luck to all.

If they need any help or just give them words of encouragement to help them get through these trying times. It is what we do, Veterans taking care of Veterans.

We are Legion Family and Together we will accomplish important things. Stay Safe and please do not forget BUDDY CHECK

Let us also help our Auxiliary members who are sick, and who are recuperating. If you know of an Auxiliary member who would like to attend our meetings, but has trouble getting here, offer assistance to them. One never knows what one can bring to our meetings.

If you need help with membership, reach out to Carol Rutzler. We are moving into a new year with the Auxiliary. If you have any ideas for fund raising please come to our meetings and put it out to the Unit. You may be surprised by what can be done. SAL MESSAGE

Greetings Comrades!

Happy summer to everyone! Keeping busy here in our Squadron. We are just coming off another successful Memorial Day Pig Roast and BBQ. We had close to six hundred people in attendance, which is a record crowd. I would like to thank the entire legion family who volunteered to help us that day. Legionnaires, Auxiliary, Sons, and Riders. We could not have done it without everyone that assisted. A true team effort! I would like to give an extra shout out to members of Brick Squadron 348 who got there at the crack of dawn to start cooking the pigs. They are always there for us, and we will be for them as well for their upcoming events.

As we move into the heart of the summer, we are looking forward to assisting in the upcoming events at our great Post. The Post will be running their annual Independence Day BBQ which will be on Saturday, July 1st and the legion riders will be having their annual County Western BBQ on Saturday, August 19th. Both these events start at 1pm and will be in the picnic grove. We would love to have as many Sons as possible come out to assist with these events as they did for ours!

We are also back from the Wildwood Convention, and we are starting a new "fiscal" year. The year runs from July 1st through June 30th so we are now in the 23-24 year which means

SAL Squadron 129 leadership presenting Post 129 Commander Pete Chafatelli with a gift at the Department of New Jersey Convention in Wildwood, New Jersey.

the 2024 membership cards will arrive soon, which we will organize and start renewing again. Your 2023 cards are good through December 31st. It is important for our Squadron to get an early jump on 2024 membership as we are the largest squadron and need to get a quick jump on the new membership. More to come once we receive the cards.

On another note, this will be my last SOUND OFF as I am now the outgoing Squadron commander. We had nominations and election in April, and I am happy and proud to announce that Joe Rutzler is the new Squadron commander. Joe has been a member of our Squadron for many years

and has held numerous officer positions within our great Squadron. Joe is going to do a great job and will continue to keep our great Squadron on top. He has a great executive board and support system. Our next squadron meeting is on Wednesday, July 12th at 7pm. I would love to see a great attendance to welcome Joe and I am looking forward to passing the gavel to him during that meeting.

In closing, I just want to say it has been an absolute pleasure being your Squadron commander for the last 6 years. We have had our ups and downs just like anything else, but we have been very successful and each year our

Joe Rutzler and incoming officers of SAL Squadron 129

Squadron gets better and better. I have been blessed to have a great executive board and support system over the years. It is always a team effort and we have had, and will continue to have, great people in our system. I would also like to thank all the current and past officers of the Post, Auxiliary, Sons, and Riders for all their support over the years. Again, a true legion family effort. I will still be a member of the executive board this coming year and will be there, as always, to support the incoming commander and everyone else. Be well and see you around the Post!

For God & Country,

Rocky Lucia
Commander - Squadron 129

CHAPLAIN'S CORNER

Scripture says that we should give thanks with a grateful heart! Sometimes, however, we do not feel that thankful due to any number of circumstances surrounding us at that point in time...so how do we go about giving thanks?

Firstly, we are to be honest with ourselves and God about our present situation. We should realize that he already knows about it however he likes to hear you and I talk to him about it. That is right "talk" to God! But he's God and I am just me you might say or think...yes you are right however scripture reflects on situations

where God hears our words as if it were a prayer!

In one place in the bible a proud man was in the same place as some people who were not so proud of what they had done in life.

The proud man's prayer was one stating that he was not like those other people there and boasted about himself to God.

The humbled man simply said, "Lord forgive me for I am a sinner."

If I were to ask a simple question like whose prayer, do you think God smiled and maybe even cried a tears joy for? You are right again, the humbled man who was down on his luck so to speak for any multitude of reasons! Maybe sickness in the family, a friend called home to be with God, a child going off to college or the military and of course the choice of some bad words at home with the one you love!

God hears all and sees all and wants to hear from us! Actions do speak louder than words so when the actions are done, come to God with words of how you feel

and what you need help with...we all need help in times of life and more than that.

"We all need God" you can call me, and we can talk to God! 848-210-3722... Tommy

Eric Inauen

As the years fly by, we greet summer again with open arms. It is a great time to kick back, relax and enjoy life. What better place to do that than at American Legion Post 129? We serve lunch and dinner 7 days a week (Mondays, only lunch). To quench your thirst, our bartenders will be serving you with drinks from our stock of premium liquor. For the beer drinkers, they will pour you one of our nine beers on tap or serve you one of our bottled beers. We also serve Coors Lite and Heineken Zero non-alcoholic beer.

If you like it cool, we recommend our air-conditioned Canteen. If you're more of an outdoors man or woman, our outside Bunker Bar is the place for you. We change our drink specials every two weeks. So, our discounted drinks get discounted even more.

HORSESHOES: Under the leadership of Mike Feimer and Danny Szpyt, the Wednesday Night Horseshoe League with 18 teams is doing extremely well. More teams seem to join every year. A special thank you to Eddie Daniels and Jack Scavuzzo for redoing the horseshoe pits in making them regulation size. Danielle is always your bartender. She puts on the Mets and Yankee Games on our TV's and plays the music that you like. So, whether you are a player, a spectator or a person who just wants to enjoy the night with great company, stop down the Bunker Bar which opens at 5PM nightly.

CORN HOLE: Corn Hole, which is run by Dale Hugo, is doing much better since we moved it to 6PM, on Tuesday Night. Teams are randomly drawn each week, which gives everyone a chance to win. The Riders, who

have their Bike Nights on Tuesday Nights have also joined in on the fun. The Riders have been preparing their own food at the picnic grill. So, stop down, check it out, try your luck and say Hi to Joe, your bartender.

BARBEQUE: Get ready for the American Legion Riders Post 129's Annual Country BBQ. The event will be held on Saturday, August 19, 2023, from 1PM to 5PM (rain date August 20th). Tickets are \$25 in advance and \$30 at the door. Kids ages 13 to 17 pay \$15. Children 12 and under are free. Advance tickets are available in the Canteen or by calling 908-285-8713. Sorry, there will be NO refunds.

Your ticket includes BBQ Chicken, Kabobs, Burgers, Hot

Dogs, Corn on the Cob, Baked Beans, Salads, Soda, Water and draft beer (down at the Bunker Bar). Entertainment will be provided by the E-BORO BANDITS. Proceeds from the event go toward American Legion Charities.

As always, the Bar Committee would like to thank our Bartenders, Robin, Lori, Danielle, Shea, Rocky, Carol Ann, Donna, Joe & Rob for the work they do. Also, a shout out to Ed Rutzler, John Holterman, Ken Benner, Dale Harpe, Frank Del Nero and Claude Geraud for their help in the mornings which keeps the Bar looking good and running smoothly.

Remember, when you support Post 129, you support the greatest Post in the USA.

Happy Father's Day

The below poem is a simple, gentle reminder to always be your best self because you have a little person who thinks the world of you.

A Little Fellow Follows Me

A careful man I ought to be,
A little fellow follows me.
I dare not go astray,
For fear he'll go the self-same way.

I cannot once escape his eyes,
Whatever he sees me do, he tries.
Like me, he says, he's going to be,
The little chap who follows me.

He thinks that I am good and fine,
Believes in every word of mine.
The base in me he must not see,
That little fellow who follows me.
I must remember as I go,

Thru summers' sun and winters' snow.
I am building for the years to be,
In the little chap who follows me.

FINANCE

The Bad News: Interest rates are high, consumers feel the sting, high mortgage rates are slowing the real estate market, and home foreclosures are rising nationwide.

The Good News: On the other hand, inflation cooled to 4% in May, the U.S. economy added 339,000 jobs last month, and you belong to Post 129.

So here is what is going on with your money and our Strategic Plan.

1. As the number one priority in the strategic plan, Post 129 has finalized a contract to restore the integrity of the west wall in the hall and renovate that part of the building. The action plan will begin in late summer. This action will not only prevent future repairs but will beautify our Post.

2. In order to protect our reserves, some of the Posts money has been moved to another bank, and we are now receiving interest on those monies.

3. As seen above, a watchful eye is being kept on the state of the economy in order to determine how it might affect our Post.

Respectfully Submitted by:
Ralph Wolff, Post 129, Finance Officer.
