

COMMANDER'S MESSAGE

After enduring a challenging winter, spring has finally arrived. The change in season brings renewed energy and anticipation, and it is clear that everyone is eager to spend more time outside. With warmer temperatures and longer days, outdoor activities are once again possible and highly anticipated.

We started 3 major improvements within the post.

- 1.) Replacing the HVAC and heating units thru the NJNG SaveGreen program.
- 2.) Replacing the needed kitchen equipment
- 3.) Installing acoustic foam wave ceiling cloud in the canteen.

The Executive Board played a pivotal role working closely with Finance Officer Ralph Wolff and Construction Chair Pete Chafatelli, with these decisions to ensure that each project was carefully planned and executed within our budget.

Andrew Hadley a student from Donovan Catholic High School participated in our annual Oratorical Contest. Andrew went on

to the State Finals and came in second place out of the 5 finalists.

Julianna LaMarsh a student from Walnut Creek Middle School participated in our annual Coloring Contest and her drawing went up to the State Finals where she came in First Place.

Dave Corbin, Arnie Boyle and Stanley Bilicki are interviewing students at local High Schools for Boys State.

- May 2nd County Meeting 11:00 AM
- May 9th Installations of Officers 1-4 pm
- May 20th Boys State Meeting 7PM
- May 23rd Memorial Day Picnic (SAL) Pig Roast
- May 24th Memorial Service, Ocean County Veterans Park
- May 25th Memorial Day Parade (meet at Office Lounge 9 AM)
- June 6th 82th Anniversary D Day
- Department of New Jersey American Legion 107th Annual Convention (week of June 8th in Wildwood NJ)

Looking ahead... SAVE the Date for our July 5th America 250th Year Birthday Celebration.

Always check the canteen TV advertisements for any changes and updates.

Our thoughts and prayers are with our troops for a safe return Home.

Membership Minute

Rich Godfrey

Spring is in the air and before you know it. We will be celebrating our 107th year at our Convention in Wildwood in June. And on July 1, 2026 our new membership year starts for 2027

We would like to extend our sincere gratitude to all our dedicated members who have already submitted their dues. Your timely contributions play an essential role in supporting the important work that we do throughout the year. Let us renew our commitment and redouble our efforts and make 2026 a year of prosperity. We cannot achieve this without you. Together, we are Saving Lives and Changing lives.

Current Membership Status

At present our membership stands at 1,230. This represents 89.78% of our annual goal, with 140 more members needed to surpass last year's total of 1,370. If you have not yet submitted your 2026 dues, we encourage you to do so as soon as possible.

How to Renew Your Membership

- Visit mylegion.org to pay your dues online and receive your membership card within a few days, saving both stamps and envelopes.

- Mail your dues directly to the post.

You can now eliminate the yearly hassle of remembering to renew your American Legion membership by taking advantage of the new multiyear membership option, available to both current and potential members. Legionnaires needing to renew, as well as veterans interested in joining, can visit legion.org/renew or legion.org/join. A three-year membership renewal is also available at legion.org/renew.

Membership Tools and Community Support

To stay connected and informed, we encourage you to download the Legion Plus App on your mobile device. Simply go to the App Store or Google Play Store and download the app.

Your ongoing support is vital for us to continue assisting our veterans, their families, and the community where we live. Please remember the importance of the Buddy Check by reaching out to our Legion Family and friends to see if they need help or words of encouragement, especially during these challenging times when the cost of living is rising. It is crucial that we look out for one another—this is what we do: veterans taking care of veterans.

Membership Growth and Eligibility

We ask our Legion Family to

reach out to friends, neighbors, coworkers, and family members to see if they would be interested in joining our great organization. According to the Legion Act of 2019, any veteran who has served at least one day of active military duty since December 7, 1947, and was honorably discharged or is still serving honorably qualifies for membership in The American Legion.

Contact and Support

If you require assistance from our Post or at the Department level, or if you have encountered any issues that have prevented you from renewing your membership, please contact me at rjg548@comcast.net or call 732-604-8326. The American Legion needs your support—membership is truly the lifeblood of our organization.

Be the One

- Be the one to ask veterans in your life how they are doing.
- Be the one to listen when a veteran needs to talk.
- Be the one to reach out when a veteran is struggling.

It only takes one person to help save a veteran's life—you can be that one. For more information, please visit betheone.org.

Hello Legion Family!

Happy Spring! It's nice to get out of the frigid winter months and start enjoying the warm spring weather!

We hope everyone had a nice Easter Holiday and spring break. We have been hard at work here in Squadron 129. We are gearing up for our annual Memorial Day Weekend Pig Roast & BBQ. This is our most successful event of the year and we are looking forward to this event. We have great food, great entertainment by Katfish Lucy and great beverages during the course of the day. As always, we need a lot of volunteers for this event. Our legion family has been awesome over the years in help us out. We need more of our SAL members to step up and help us out. Please reach out so we can put you on our schedule. The Pig Roast flyer is below with all the details.

We are winding down on our membership year. Although your 2026 cards are valid through 12/31/26, the actual Detachment (state) membership year runs from 7/1 through 6/30. This means we have to hit or exceed last years membership numbers by June! We are making good progress, but there is more work to do. Please

reach out to use if you have any questions regarding your membership or need any assistance. You can pay your membership dues at the bar with one of our great bartenders, send it in via mail or conveniently pay online at <http://www.salpost129.com>

We are also ready, will and able to assist our legion family in their upcoming events as well. Please keep an eye out for notifications and flyers.

Finally, the SAL will not be having a June meeting, as always, due to the annual Detachment Convention in Wildwood.

Enjoy the nice weather and we look forward to seeing you around our great American Legion Post!

For God & Country,

Joe Rutzler

PRESIDENT'S MESSAGE

As we leave the cold of winter behind, we welcome the promise of brighter, warmer days ahead—a season of renewal, growth, and new beginnings.

With that spirit in mind, I would like to take a moment to recognize some of the wonderful things happening within our organization and among our members.

First, congratulations to Bruce Caputo, winner of our recent 50/50—well done. Thank you as well to everyone who participated and supported the fundraiser.

I would also like to extend my sincere congratulations to Mary Prendergast and her entire team for organizing such a successful Battle of the Bands event. Your hard work, coordination, and enthusiasm truly showed, and it was a fantastic time for everyone who attended.

And a huge shout-out to Laurinda Miller for all of her hard work—because of her dedication, we are so close to reaching our 100% membership goal, and it is truly within reach. Thank you for everything you've done to get us here. If you haven't renewed your membership please stop into the canteen and renew today to help us reach our goal. We're almost

there—let's finish strong!

I would also like to warmly welcome our new members and thank our returning members for their continued support. Let's keep the momentum going—get involved, attend meetings, and come out to support the many activities and events we have planned.

On a more bittersweet note, we say farewell to Jane Keely. Jane has been an incredible part of this organization, and her dedication, time, and countless contributions have made a lasting impact. She will be deeply missed, and her absence will certainly leave a void. We thank her for everything she has done and wish her all the very best in her next chapter.

Looking ahead, we are excited to announce an upcoming event organized by Diane Ford: a comedy show, *The Cemetery Club*, taking place on June 28. Tickets are \$20 per person and are available in the canteen. Be sure to get yours early and come out for what promises to be a fun and entertaining evening.

May is National Poppy Month, a time to honor and remember the sacrifices of our veterans. Our chairperson, Betty, is currently looking for volunteers to help distribute poppies. If you can spare a few hours to assist in this important effort, please reach out to her at 908-278-7987. Your support helps continue a meaningful tradition of remembrance and respect.

I would also like to take this

opportunity to thank all of our officers and dedicated members who consistently attend meetings, volunteer their time, host events, and support our fundraisers. Your commitment is what keeps our organization strong and thriving.

I encourage everyone to continue getting involved, lending a hand, and participating in the many activities that bring us together.

At this time, I also want to pause to reflect on the ongoing conflicts around the world and the profound impact they have on so many lives. Our thoughts and prayers are with the brave men and women currently serving in our armed forces, as well as their families who support them from afar. We honor and remember those who have made the ultimate sacrifice, and we hold their loved ones close in our hearts. It is our sincere hope that peace will prevail soon, and that a safe and swift resolution may be found.

Lastly, this will be my final Sound Off article, as our new officers will be taking over in June. It has truly been an honor to serve and to share these updates with you. I wish our incoming officers every success in the year ahead, and I know they will continue to lead with dedication and pride.

Thank you all for your continued support.

Welcome Spring and warm weather. What a difference from a month ago with single digit temps. As the world turns, the seasons remind us of new life budding around us.

As the Bible says in Ecclesiastes 3:1-8

To everything there is a season;
A time for every purpose under Heaven.

A time to be born, a time to die
A time to kill, a time to heal
A time to laugh, a time to weep
A time to dance, a time to mourn
A time to gain, a time to lose
A time to rend, a time to sew
A time of love, a time of hate
A time of war, a time of peace

Many of us may remember this as a song by the Byrds a number of years ago, I think we can all agree that these words are in fact, timeless.

As we look forward to our next season and make our plans going forward into summer, may we make time to share time with others who might need a kind word, a call, or a visit. Each of us has the opportunity to "Be the One".
